About Us

Network for Enterprising Women (NEW) was established in early 2005. Our main goal is to help encourage and promote the business growth of women entrepreneurs, independent sales representatives, and contractors.

In that respect, we are committed to providing a method of not only exchanging, but also interchanging business information as it pertains to the daily challenges facing women entrepreneurs.

Benefits of Membership

- To meet and network with other women business owners.
- To participate in an open forum for the purpose of discussing issues and concerns of women entrepreneurs.
- To actively participate in a continual learning environment to expand your business.
- To be a part of a unique group of women business owners focused on the well-being of both their professional and personal lives.

Our Objectives

1. To encourage and promote the business growth of women entrepreneurs.
2. To create a practical means of bringing its members in touch with prospective business.
3. To encourage trade expansion for the benefit of its members.
4. To acquaint its members with the products and services which other members have to offer.
5. To promote a better acquaintance, closer association, and friendship between its members.
6. To provide a means of continuing education regarding the unique issues and challenges facing women entrepreneurs.

Meeting Information

Breakfast Leads Group

The breakfast leads group meets every 2nd and 4th Tuesday of the month. The main purpose of the breakfast leads group is to network closely with each other for the purpose of encouraging trade amongst members and others in order to actively grow member's businesses. Attendance at breakfast meetings is strongly encouraged to facilitate the exchange of leads between members.

Evening Educational Forum

Evening meetings will be held on a monthly basis and are open to all NEW members and prospective members. Meetings will be held on the third Tuesday evening of every month. Our evening meetings are primarily focused on networking and education. Additionally, a guest speaker will be featured at each evening meeting. Reservations are required.

Membership Notice

Since we believe in encouraging and supporting all women entrepreneurs and independent sales representatives, we do not restrict membership to only one individual in each industry. Rather, we believe that each woman can benefit from each other's individualized strengths, skills, and training which not only highlights the individual's uniqueness in the marketplace, but also provides a means of continuing education for all members.
